

WHY DOES ONE BRAND COME TO MIND FIRST IN A CATEGORY?

Instant noodles → Maggi

Soft drinks → Coca-Cola

Search engine → Google

Some brands become the default mental
shortcut for a category.

WHY THIS HAPPENS

It's not just awareness.
it's mental availability.

For example, Maggi consistently reinforced:

- “2-minute noodles” → quick meal
 - distinctive yellow packaging
 - strong distribution
 - decades of communication

STRATEGIC INSIGHT

When a brand becomes
strongly linked to a
category,
recall becomes automatic.

And in Fast decisions,
the Brand recalled first
often becomes the brand
chosen.
